ARTWORK INFORMATION

GENERAL

COLORS:

See the back of this catalog for our standard reference colors. All printing is done in CMYK colors. Spot colors will be converted to their CMYK equivalents. PMS/Pantone matching is possible on all full color products. Metallic colors and gradients can be simulated on full color products. True metallic colors are only available on RealMetallic products.

PROOFING:

Free full color electronic proofs are provided using our proprietary web proofing system at www.superproof.com. Changes are made and re-proofed as needed to finalize the design. Paper proofs and pre-production samples can be provided in most cases. However, these may incur an additional charge. Consult the factory.

CUSTOM ARTWORK

DIGITAL SUBMISSION:

Send files via email to artwork@timeframe.com

Preferred formats are AI, CDR, EPS, PDF, PSD, JPG, JPEG, BMP, TIFF & GIF. A minimum resolution of 300 dpi at printed size is recommended for non vector artwork. In vector art files it is recommended that all fonts be converted to outlines or curves. It is also recommended that a jpg of the artwork be supplied with the vector artwork as a back up for the layout. Electronic files can be sent via e-mail up to 25 mb total per e-mail. Files over 25 mb can be sent via FTP. Consult factory for instructions.

PHYSICAL SUBMISSION:

Artwork may also be sent by mail, UPS. In these cases, the artwork is usually scanned and returned with the order. Consult the factory before sending non-electronic artwork.

TRADEMARKS & COPYRIGHTS:

Registered trademark ® and copyrighted artwork © may only be reproduced with written permission from the legal holder of the trademark or copyright.

STOCK ARTWORK

Choose a stock design from the thousands available at www.tfcOLOR.com. Colors and backgrounds may be changed to match the design requirements. Text may be added as required to finish the design. See the back of this catalog for reference fonts and type styles. Designs from tfcOLOR.com are not clip art and may only be used on products from this catalog.
